

FANTIC CABALLERO 125 DELUXE

DELUXE 125 An elegant motorbike that blends scrambler and off-road style with the cool, urban world. The Caballero Deluxe is perfect for those who like to enjoy a light off-road experience on a classy, but aggressive bike, that is also perfect for navigating city traffic. Engine and chassis have the same dual soul, providing versatility that makes you wonder what kind of terrain you'd rather ride it on. The Caballero Deluxe 500 is built to the same technical specification as the 125 Scrambler, but with a new look and precious details like handlebars with crossbar, a modern grey fuel tank and mudguards, to contrast to the brown leather. A true mix of urban and off-road bike!
